*Refer someone... Go to the mall...on us!!*

Share the "nifty-fifty" certificate above. Write your name next to the "Referred by", and have them call for an appointment.

Remember... Initial Exam (including photos and workup) - No charge.

## **BRACES CAN PAY FOR THEMSELVES**

The best orthodontic compliment is when patients refer their family, friends and co-workers. To show our appreciation, we have a program called the "Nifty-Fifty-Club." Each time you refer someone who is brand new to our office, (we have not seen them before), and they start treatment here with full braces, you will receive your choice of either a \$50 credit towards your account, or a \$50 Gift Certificate to the Mall.

Many patients help others by referring them to our orthodontic office for braces. If someone has a smile that is not becoming...maybe they should be coming to us to get a great smile and fine results.

We make sure that you and other patients receive the highest quality treatment by utilizing the latest techniques with a gentle approach.

Braces and related treatments here make a very favorable and positive difference! We are interested in the best results for each of our Patients.

*We make Smiles come true!*
